STAMP International Festival of Street Art Hamburg

### **International Call: Performances in Public Spaces:**

**We're looking for young European artists who want to present a try-out performance on the topic of 'LIBERTY' at the STAMP Festival (September 16-19 2021) in Hamburg.**

STAMP is a festival of the [altonale](#) and the [neighbourhood cultural centre HausDrei](#) in Hamburg-Altona.

The performance should be at least 10 minutes long and may represent a 'work in progress'. It must take place in public space and be fit for presentation in the try-outs during the STAMP festival. Rehearsals on site will be possible on September 16<sup>th</sup> or 17<sup>th</sup>.

The try-outs of participating artists will be part of a symposium about 'performances in public spaces'. It aims at discussing the performances and giving feedback, as well as providing exchange among the artists themselves and with specially invited experts. Perspectives for young artists performing in public space and international cooperations for projects will be discussed in spontaneous speeches and talk rounds.

The symposium takes place with the involvement of the [EU Project LIBERTY](#), the [Contemporary Performing Street Arts Network \(CPSA\)](#) and the project '*out and about – perspectives on performing arts in public spaces*' of the [Federal Association Theatre in Public Space \(BUTIÖR\)](#).

Food and accommodation will be provided during the festival, travel expenses will be refunded. Artists will receive an additional fee of € 660.- per person.

You can participate as an individual artist or as a duo. Participants may not be older than 30 on September 1<sup>st</sup> and must live in the EU.

Please send your application to [jonas@stamp-festival.de](mailto:jonas@stamp-festival.de) by July 30<sup>th</sup> 2021, including a CV, that gives an insight into your artistic work, and a video or draft of the performance planned for presentation during the symposium.
